Many Thanks to everyone that volunteered their time in any way to the Fair weekend; to those that made donations of time, food, money or prizes; and to those that attended and supported our Fair.

The Farmers Association celebrated another successful Fair weekend in part because of the beautiful weather but mostly from the support of the Community and those that travelled to attend, or to participate. We hope to see you all next year on **August 18<sup>th</sup> and 19<sup>th</sup> 2023.**
